# Project objectives

**The  project aims to:**

- 1. Set up a thematic multidisciplinary joint exchange programme** dedicated to development of new tools for advanced pedagogical science in the field of ICT instruments, distance learning and intercultural competences in **EU, Australia, Ukraine and Russia.**
- 2. Strengthen collaboration** between EU and third country institutions through mutual secondments of researchers.

# Detailed objectives

- To evaluate teaching competences and to suggest effective strategies of implementing new tools in the educational activity;
- To explore indicators of educational effectiveness;
- To analyze teaching competences in usage of innovative forms of education and suggest effective strategies of implementing innovative ICT tools;
- To analyze and evaluate social, economic, law and ethics conditions, as well as methodologies and models of e-learning techniques;
- To evaluate the effectiveness of the existing models/methodologies designed to provide e-learning and enhance intercultural awareness;
- To evaluate and present new models/methodologies for an effective remote collaborative work and improve the ICT in the science of education;
- To transfer knowledge with a view to generating strategic impacts;
- To promote scientific discussion about the integrity of systems of education and work focusing on competence issues in the context of globalization of higher education.

# Project Management

## **Coordinator`s tasks:**

- Day-to-day administrative and financial management of the consortium
- Facilitation of the communication among project participants (Project web-site, e-mail, other tools)
- External communication with the EC
- Monitoring the project's progress and results
- Reporting to the EC

# Management Board

- **decision-making** body of the Consortium
- chaired by the **Project Coordinator**
- composed of **1 representative of each Party** (teams leaders from each Institution), **having 1 vote** for decision making:

Prof. Eugenia Smyrnova-Trybulska (US), Prof. Piet Kommers (UT), Prof. Sixto Cubo (UEX), Dr Martin Drlik (UKF), Prof. Paulo Jorge Gonçalves Pinto (LU), Prof. Martin Malcik (OU), Dr. Tomayess Issa (CU), Prof. Natalia Morze (BGKU), Prof. Iryna Sekret (DSTU), Prof. Tatiana Noskova (HSPU).

## Management Board meetings:

**Months: 10, 22, 33, 46** (University of Silesia)

**Once a month** - meetings by videoconference

### **Analyses of legal, ethical, human, technical and social factors of ICT and e-learning development and intercultural competences state in every partner countries**

**Task 2.1:** Mapping and developing an account of factors involved in process of globalisation and regionalization in developing key competences, including their interests, scales of influence, and temporal horizons.

**Task 2.2:** Examining the role of higher education policy in globalisation processes and the role played by higher education institutions and their projects as potential models for other world regions.

**Task 2.3:** Identifying the role of key international higher education institutions in policy developing of key competences and in new forms of international cooperation.

**Task 2.4:** Analysis of processes of competences development – e.g. processes operating simultaneously on different scales, contemporary trends and previous research.

**Task 2.5:** Joint research in the visited institution. Fieldworks and/or archive research.

**Task 2.6:** Analysis of legal, ethical, human, techniques, social factors of development of ICT, e-learning and intercultural development in every partners countries.

**Task 2.7.** Conferences, workshops and roundtables.

**Task 2.8. Meeting in UEx, Spain.** Videoconferences and roundtable debate.

**Task 2.9. Meeting and Workshop in HSPU, Russia,**

**Task 2.10. Conference DIVAI 2014 (UKF, Slovak Republic),**

**Task 2.11. Conference *Innovations in higher education* (DSTU, Ukraine).**

# WP2 Deliverables

D 2.1. Month: 5 - Proceedings *DIVAI 2014*.

D 2.2. Month: 8 - working paper *Conceptual aspects: analyses of legal, ethical, human, technical, social factors of development of ICT, e-learning and intercultural competences in deferent countries*

D 2.3. Month: 6 - Conference Proceedings *Innovations in higher education* and dissemination of the initial results of the research on the legal, ethical, human, technical, social factors of ICT, e-learning and intercultural competences development in deferent countries.

D 2.4. Month: 8 - Elaboration of the conceptual framework for a joint research project based on lasting collaboration with the project participants.

D 2.5. Month: 8 - Publication of reports on the Project Website

# **IRSES funding scheme**

# **Administrative and financial issues**

# Performance obligations

**Researcher:** a professional selected and appointed by his/her *home organisation* amongst the staff to benefit from the staff exchange under the *project*.

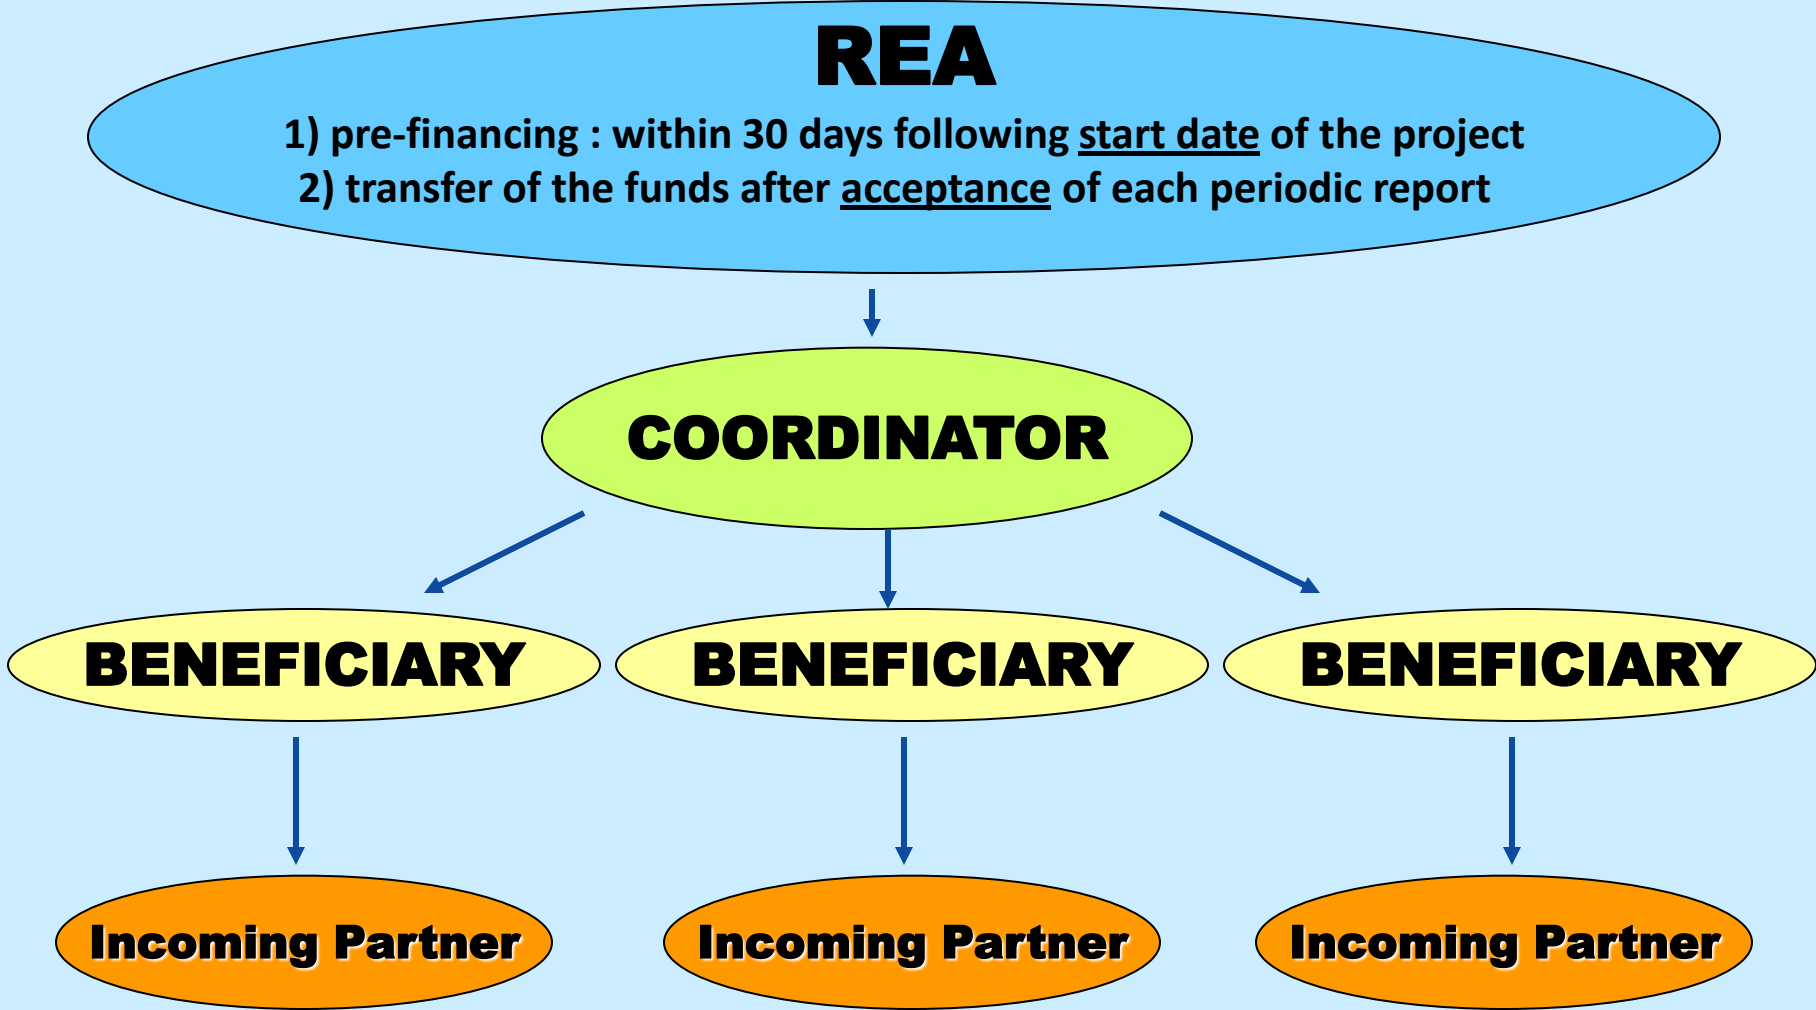

**Staff member:** a *researcher* active at his/her beneficiary *home organisation*. There must be a contractual relationship between the *home organisation* and the staff member that would normally consist of an employment contract. Other forms of contractual relationships (e.g. stipends – *for PHD students*) are also acceptable.

Salary of the *researcher* must be paid during the *secondment*;

Minimum *secondment period*: 1 month.

Total of the *secondment period*: 12 months per researcher.

# Distribution of the EC contribution

# Financial rules

## **The EU funding is administered by the beneficiaries**

according to the provisions of the **GA** and the **PA**.

### **The beneficiaries remain responsible towards the EU**

for the management of the funds

and **should be able to prove**

that the secondments took place in case of an audit.

# EC funding: flat rate

## Monthly contribution (flat rate):

**€ 1.900 standard**

(EU ↔ Russia, Ukraine)

**€ 2.100 long distance**

(EU → Australia)

**! No funding for exchanges**

EU → EU nor TC → TC

# EC funding: how to calculate?

## How to calculate the IRSES costs?

Monthly flat rate x number of the person-months

### *PRO-RATA calculation*

In case if secondments are not for full months  
(from 1st to last day of the month),

the amount to be declared should be calculated pro-rata:

For inst. for secondment from 20 February – 19 Mars 2012:

$$10/29 + 19/31 = 0.3448 + 0.6129 = 0.96$$

### Documents necessary for controlling by REA/audit

- Reporting on the end of secondments to the hosting institution
- Boarding passes, tickets, e-tickets of trip
- Hotels bill (optionaly)

# Secondment realisation report

## **Scientific periodic report**

### **+ financial statement Form C**

Covering period from **1/01/2016** to **31/12/2017**

### **+ Final scientific report**

# How to report?

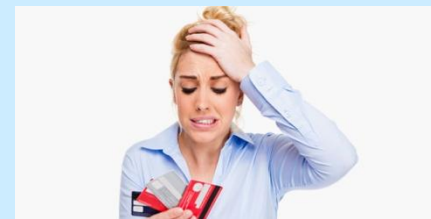

## **! The financial reporting (forms C) will be done only by beneficiaries**

depending on the number of **outgoing** secondments to a third country organisation and the number of **incoming** secondments from an eligible third country organisation.

The amounts corresponding to the secondments will be included in the **form C of each beneficiary**.

The amount declared in the **form C of each beneficiary** will contain also the amount of **4%** for **management costs**

# How to report?

When reporting to the REA, the beneficiaries **should not provide evidence of actual costs** (e.g. for travel).

**and not required to demonstrate how and to which extent the EU contribution has been effectively spent.**

## **Reporting will be limited to:**

**showing the accomplished results according to the GA**  
e.g. number of exchanges  
**(please keep travel tickets, secondments reports, etc.)**
