DECISION
50/113/16

19 December 2016

Re: FINANCIAL SUPPORT FOR A COOPERATION PROJECT OF FINNISH LANGUAGE AND CULTURE;

Your application for academic years 2017–2019

The Centre for International Mobility CIMO has awarded the cooperation project in MA studies of Finnish language and Culture **3300 euros** for the academic year **2017–2018** and **2100 euros** for the academic year **2018–2019**. The financial support is intended for the expenses mentioned in the plan and cost estimate of the cooperation project.

The participants of the project are the Herzen State Pedagogical University and the Udmurt State University. The Herzen State Pedagogical University is acting as the coordinating university.

This decision is sent only to the coordinating university. The coordinating university will inform the cooperating universities of CIMO's decision.

The universities have to follow the plan for the cooperation project. The coordinating university is to report yearly on how the financial support was used and how the goals of the plan were achieved.

Agreement

An agreement will be signed on the payment and use of the financial support. The coordinating university will sign the agreement on behalf of all cooperating universities. The other universities have expressed their commitment to the cooperation project by signing the Commitment form.

The support will be paid only after the agreement has been signed by both parties. The agreement has to be signed by **15 June 2017 at the latest**.

A change in 2017

The Centre for International Mobility CIMO and the Finnish National Board of Education will be united as a new office, to be called the Finnish National Agency for Education, as of 1 January 2017. The Finnish National Agency for Education will be the other party to sign the agreement. Decisions made in the name of CIMO will be valid in the new agency.
